

## Season 1201.3

- Serger Tips – 3-thread overlock

Fabric, Patterns and Sewing Supplies are found on:

[The Angela Wolf Pattern Collection](#)

Serging is a quick and easy way to sew knit garments. Use a **4-thread overlock** for strength, but check that the 4-thread overlock stitch on your serger stretches. Another option is to use **3-thread overlock**, which is less bulky.

Test the fabric to determine if the differential feed needs to be adjusted to prevent fabric puckers.

Join my Facebook group [Angela Wolf Patterns](#) to follow along sewing knit garments.

Cheers,

*Angela*
