- Make sure your sleeves are interfaced as shown above.

- On the upper vent, fold the vent back and fold up the hem. Press.
- Snip into the corner where the folds meet.
- Turn the fabric to the right side of the sleeve and stitch from the snip to the point where the vent meets the hem. Flip to the right side and press.

- On the lower vent, turn the fabric right side together, using the pressed hem as a guide. Stitch.
- Flip to the right side and press.
